

PARKS AND RECREATION

Due to the volume and variety of services provided by the Parks & Recreation Department, it is recommended that the most recent issue of The Leisure Guide be picked up at the P & R Administrative Offices for a comprehensive schedule of fees. You may also find current fee schedules for many areas of programming within the Parks and Recreation Department's website at www.greensboro-nc.gov/leisure. The Cemeteries Division fees are given below:

Cemeteries Division

Please note that no fee is charged for scattering urns of ashes or for services rendered relative to interring urns or caskets in mausoleum vaults.
